

Year 4 Autumn 1, 2025 Homework

Mountains, Living things and their Habitats

Please aim to do the following activities daily:

Reading , Spelling , TTRS.

Complete one of the activities below each week.

Geography: We will be learning about the 3 Peaks Challenge, make a list of things you might take with you . Follow this link to compare the official kit list with yours. Did you think of everything? [Kit List for National Three Peaks Challenge](#)

Spelling

Using the homophone list to create a game which will help you remember how to use them in the correct context.

Maths: Go on the [Hit the Button](#) site and practise your times tables. Let us know which ones you have been practising.

[Hit the Button - Quick fire maths practise for 6-11 year olds](#)

DT: Create your own erupting volcano! Use the link to read the instructions and the ingredients list: [Kareena's Chemistry - Erupting Volcano Experiment - Fun Kids - the UK's children's radio station](#)

Collect 10 different leaves from your local area. Create a poster or PowerPoint identifying the leaves.

Reading comprehension.

Ancient Egyptians

Pick 1,2 or 3 stars depending on your confidence.

Science: Create a mini beast survey in your garden or park. List how many creatures you can find in 30 minutes. How many ways can you group them? By size, colour, shape, vertebrate vs invertebrate?

Art: Draw a picture of your favourite animal. Label its features and describe how they help the animal survive in their habitat. For example: thick fur on a wolf protects it from the cold and provides camouflage.

Our **Value** this term is **Generosity**. Write an acrostic poem using the letters in GENEROSITY.

ICT: Using this website, complete some of the quizzes to test your knowledge of computing. Please start with 'Internet safety' and 'The Internet'.
