

Year 4, Term 3

Homework

Rivers

Please do the following activities daily:

Reading Spelling Times tables

Then choose from a selection of activities below. By the February half term, all children are expected to have completed the:

grammar homework, reading comprehension task and Growth Mindset activity

Maths:

Practise your times tables on TTRS regularly. Aim to go on 5 times a week, in the same way you practise your reading. See if you can make your way up the effort league table.

Geography:

Choose a famous river from another country e.g. the Zambezi, the Mississippi, the Ganges and research some interesting facts about it. How long is it? What animals live by/ in/ on it? What countries does it flow through? Create a PowerPoint showing everything you have learned.

PE:

Create a short circuit plan using some of the stretches and exercises that we covered in Fitness last term. Make sure to include exercise that work all parts of your body: upper, lower and core.

E-Safety:

Create a poster showing children how to stay safe online.

Art:

Draw, paint or create a model of part of a river. You can pick any part – from the source to the mouth.

Science:

Search around your house for any electrical dangers. Make a list of recommendations for changes to make e.g. extension leads are over loaded— limit the number of sockets plugged in.

RE / DT:

Research a traditional food/ meal that a Hindu family might eat. Have a go at preparing and eating it with your family.

Reading Comprehension:

Complete one of the electricity reading comprehension activities. We have uploaded 3 different versions so that you can choose the right level of challenge for yourself.

Grammar:

Complete the changing tenses worksheet.

French:

Scan the QR codes on the French homework sheet to play some fun French games.

Growth Mindset:

Complete the creative challenge - Origami Magic.
