

Personal, Social and Emotional

Development

- Think about what you are thankful for and get ready to share this with the class.
- What does Rudolph need so that he is fit

Literacy

- Retell one of your favourite stories—you could make puppets or use some toys to help you.
- Write a list for Father Christmas (or cut

Understanding the World

- Think of a time you have celebrated something. What did you do?
- Go on a walk and spot the signs of Au-

Physical Development

- Make some paper chains or cut out a snowflake to help decorate our classroom
- Go to the park and practise your climbing and jumping skills

Reception Autumn 2 2025

Pick and mix home learning

Please share your home learning with us on
Seesaw

Celebrations!

Core skills to practice at least 5 times a week:

- Share your reading book with a grown up at least 5x a week
- Practice learning new phonemes and graphemes as well as recapping previous ones
- Practise counting and recognising numbers to 10.

If you wish to share homework via Seesaw please do!

Communication and Language

- Give directions for your mum or dad to follow (blindfold them to make it even more fun!)
- Act out / retell the nativity story (please film it if you can to share with your friends).

Numeracy

- Go on a number hunt. Can you find all of the numbers from 1-10?
- Create a repeating pattern—you could draw one or use objects and take a photo.

Expressive Arts and Design

- Design a new mode of transport to help Father Christmas deliver his presents—you could draw it, make it out of construction etc.
- Learn a Christmas song / poem to share.

Value— Friendship

- How can you be a good friend?
- Can you make a card for a friend to say thank you
